## **“Hope: Alcoholics Anonymous”**

This 16-minute video by A.A. World Services depicts a woman celebrating her first year of sobriety. It covers basic principles of AA.

**Jim J.,**

a professional alcoholism counselor will moderate a discussion on getting alcoholics through their first year of recovery.

*Per Dante’s Divine Comedy, the entrance sign of the gates of hell says “Abandon Hope All Ye Who Enter Here.” Perhaps the gates to AA should read, “Ye who have abandoned all hope, enter here.”*
