## **BACK TO BASICS ♦ BIG BOOK WORKSHOP SPRING SESSION 2020**

Before there were meeting schedules, the AA pioneers helped newcomers through The Steps as quickly as possible so that they could begin to help others. We follow the path of the early days of AA and actually work all of The Twelve Steps over the course of four weeks.

We will be listening to a powerful audio presentation by Paul Fischer who has facilitated a series of Back to Basics meetings.

While it is not in the meeting schedule book, this workshop is listed in the events calendar on the [aaclve.org](http://aaclve.org) website. Back to Basics sessions have been held continuously on the west side of Cleveland, every quarter, since January 2008. Quarterly sessions are held in January, April, July and October of each year, usually beginning on the first Thursday of each month and continuing the following 3 Thursdays.
